## BIO

### Medical Staff Assistant/CME Coordinator

My name is Debbie Meila and I was born in October of 1961 in Scranton Pennsylvania in the Mercy Hospital of Scranton where I currently work. I have worked my entire professional career in healthcare. I am a graduate of Scranton Central High School class of 1979 received my Paralegal certification from Penn State and joined the healthcare industry in 1980.

I joined the medical staff physicians as an assistant in 1980 and moved into Human Resources in 1987 to 1997 working as a benefit coordinator and moved into an administrative position with the physicians and residents in 1997 heading their CME programs and performing administrative tasks.

In my role in Continuing Medical Education, I schedule, plan and implement along with a small group of physicians all programs to meet licensure requirements and provide education to the clinical staff along with the medical staff on metrics within the organization to provide quality patient care.

I have been serving the community as a volunteer my entire adult life. I currently serve on the executive board of La Festa di Lackawanna for over 30 years, Cinderella's Closet serving as chair for several events, St Joe's Center volunteer, church picnics and bingos volunteer and earned a lifetime appointment to Greater Scranton Jaycees after spearheading with a great team the room make over for children at the Everhart Museum located at Nay Aug Park, the Santa Parade in downtown Scranton and running several children events.
