

Pennsylvania Association of Medical Staff Services

Virtual Annual Education & Business Conference

Thursday, April 21, 2022

◆ AGENDA ◆

11:30 AM

Welcome and Opening Remarks

Business Meeting and Installation of PAMSS Officers

12:05 PM – 1:05 PM

Webinar #1

“Understanding CMS Credentialing and Privileging Requirements for Hospitals and Critical Access”

The Centers for Medicare and Medicaid routinely publishes changes to its regulations for acute care hospitals and critical access hospitals. This program will discuss recent changes and will also discuss what CMS expects to see when surveying a hospital for compliance with credentialing and privileging of physicians and other practitioners.

1:05 PM – 1:15 PM

Post Test Completion

1:15 PM – 2:15 PM

Webinar #2

“Telemedicine Legal Considerations”

Health care delivery is increasing the result of a connected network for care - beyond just brick and mortar to care anywhere and anytime. The leading health systems increasingly using telemedicine, online patient portals, and more, to diversify revenues and attract patients. This webinar will focus on telemedicine, especially its emerging applications and reimbursement prospects, so that medical staff is knowledgeable about the opportunities and positioning for connected care delivery. You will have 90 days to access this webinar recording.

2:15 PM – 2:25 PM

Post Test Completion

2:25 PM – 2:35 PM

Break

2:35 PM – 3:35 PM

Webinar #3

“The Journey to Successful Onboarding”

Everyone has their on-boarding woes; in this session, Heidi Thompson will help participants learn more about on-boarding providers. You'll learn to improve the on-boarding process for both yourself and providers by gaining strategies to address gaps and leveraging technology. You will have 90 days to access this webinar recording

3:35 PM – 3:45 PM

Post Test Completion

3:45 PM – 4:45 PM

Webinar #4

“Payer Delegation”

Delegation is an essential part of today's CVO work. Unfortunately, the individuals doing the work and required to maintain compliance with contractual requirements, aren't always the same people involved in negotiating and signing the delegation agreements on the front end. This session is all about tips on what should be in delegation agreements, how to better understand the facilities agreements currently in place, and what steps you need to take to become more involved in the front end of the entire delegation process.

4:45 PM – 4:55 PM

Post Test Completion

4:55 PM – 5:00 PM

Closing remarks

Four (4) National Association Medical Staff Services (NAMSS) continuing education credits will be offered for this program.

This conference is being offered free of charge and is open to PAMSS members and Medical Staff Professionals who are currently non-members who work or live in Pennsylvania.
